me: it's just that she started drinking in the morning
Caleb: Also, you should stop going to the Daily Kos.
me: occasionally Kos works
me: doesn't take any trouble to cross-post over there
me: Maybe I should just title this piece "Inefficient overflow killed my cousin PUBLIC OPTION NOT NEGOTIABLE FUCK YOU OBAMA"
Caleb: Yeah, tell me about it.
Caleb: So, I got my first paycheck last week, right?
me: WRONG
Caleb: And the government took out, almost a hundred dollars in taxes.

Caleb: I'm gonna go call Barney Frank a faggot.
me: lol, saw that
me: I like how the crowd laughed
me: "GOOD ONE BOB!"
me: probably stole that joke from half-hour news hour
Caleb: Oh yeah.
Caleb: That thing.
me: I kind of want access to the whole first seasons
me: and all of the other seasons

Caleb: Didn't you write some of those?
me: No, you're thinking of that conservative film that came out starring Kelsey Grammer
me: Christmas something
